

Telethon 2010 Community Fundraising

If you are interested in fundraising for Telethon, please read the information below.

THANK YOU for offering to fundraise for Telethon. Your generosity will assist in providing financial assistance to a significant number of charitable organisations, children's hospitals and research/medical facilities that Telethon supports.

All individuals, groups or organisations who wish to raise money for charitable organisations must hold an authority to fundraise. Therefore, before you commence your fundraising, you will need to obtain an authority to fundraise from Telethon. An application and registration form is attached together with Telethon's terms and conditions for holding a fundraising event or activity. Please carefully read the enclosed terms and conditions. If you accept and agree to them please complete, sign and return the application and registration form to the Telethon office.

Fundraising for Telethon can take place at any time throughout the year.

We will send you an email if your fundraising event has been approved. Thank you once again for supporting Telethon and the children of Western Australia.

Kind regards,

Steve Mummery
General Manager, Telethon
